WHY THIS FAILS

- 1** DCFSA covers care so you can work — not education. Kindergarten and above is schooling.
- 2** Tuition for kindergarten through 12th grade is specifically **not eligible**. (Nursery/preschool for a younger child is — the line is kindergarten.)
- 3** Only the separate after-school care line (\$180) could qualify — the \$900 tuition cannot.

✓ WHAT TO SEND INSTEAD

Don't submit the tuition. If before/after-school care is billed separately, submit **that portion only** (\$180) with its dates and the provider's Tax ID. For a younger child, preschool/nursery *does* qualify.
